# Read Carefully Before Ordering

The blooming quality of our bulbs was again demonstrated at the Minnesota State Fair in 1928 when we received the first prize on our collection and 17 first prizes in color classes, etc. This is twice as many first prizes as were received by any other exhibitor, with only 4 seconds, and no third prizes. And all in keener competition than ever before.

Auburn, Me., Feb. 9, 1928

Mr. A. J. Anderson,  
White Bear Lake, Minn.

Dear Sir:

I wish to acknowledge the receipt of my bulbs and also wish to assure you of my appreciation of the manner in which you filled my order.

I have ordered bulbs of seven of the leading dealers in gladiolus bulbs and none of them handled my order as satisfactorily as you did. You sent beautiful bulbs, packed them in A-1 manner and above all you were very generous with your extras, which in my opinion appeals to the amateur like myself.

I also thank you for forwarding them via express, they arrived in fine condition. I was so pleased with your service that I am enclosing another small order which I trust you will give your careful attention. Next year I will try and give you a worth while order and will recommend you to all my friends who may want bulbs.

Respectfully yours,  
W. E. D.

*The above is just a specimen of the hundreds of letters we have in our files from satisfied customers, but space will allow us to print no more of them here.*

We pay transportation on all paid-up orders for \$5.00 or more.

Auburn, Me., Feb. 9, 1928

Mr. A. J. Anderson,  
White Bear Lake, Minn.

Dear Sir:

I wish to acknowledge the receipt of my bulbs and also wish to assure you of my appreciation of the manner in which you filled my order.

I have ordered bulbs of seven of the leading dealers in gladiolus bulbs and none of them handled my order as satisfactorily as you did. You sent beautiful bulbs, packed them in A-1 manner and above all you were very generous with your extras, which in my opinion appeals to the amateur like myself.

I also thank you for forwarding them via express, they arrived in fine condition. I was so pleased with your service that I am enclosing another small order which I trust you will give your careful attention. Next year I will try and give you a worth while order and will recommend you to all my friends who may want bulbs.

Respectfully yours,  
W. E. D.

*The above is just a specimen of the hundreds of letters we have in our files from satisfied customers, but space will allow us to print no more of them here.*

We pay transportation on all paid-up orders for \$5.00 or more.
